Sergeants' Benevolent Association
June 1, 2005 – August 29, 2011 Agreement

AGREEMENT made this 15th day of Jan 2010 by and between the City of New York (hereinafter called "the City"), acting by the Commissioner of Labor Relations, and the Sergeants' Benevolent Association of the City of New York (hereinafter called "the Union" or the "SBA"), for the period from June 1, 2005 to August 29, 2011.

W I T N E S S E T H:

WHEREAS, the Sergeants employed by the City have duly designated the Union as their exclusive bargaining representative for the purpose of collective bargaining with the City with respect to wages, hours and conditions of employment; and

WHEREAS, the Union and the City desire to cooperate in establishing conditions which will tend to secure standards and conditions of employment consistent with the dignity of Sergeants, and to provide methods for fair and peaceful adjustment of disputes that may arise between the Union and the City; and

WHEREAS, as a result of collective bargaining the parties have reached an Agreement which they desire to reduce to writing;

NOW, THEREFORE, it is mutually agreed as follows:

ARTICLE I - UNION RECOGNITION AND UNIT DESIGNATION

Section 1.

The City recognizes the Union as the sole and exclusive collective bargaining representative for the unit consisting of the employees of the New York City Police Department in the title of Sergeant.

Section 2.

Except as otherwise provided herein, for purposes of this Agreement, the terms "employee" or "employees" and "Sergeant" or "Sergeants" shall be interchangeable and shall relate solely to employees in the unit described in Section 1 of this Article.

ARTICLE II - UNION SECURITY DUES CHECKOFF

Section 1.

All employees covered by this agreement shall be free to become and remain members of the Union in good standing.

Section 2.

The Union shall have the exclusive right to the check-off and transmittal of dues in behalf of each employee in the unit in accord with the Mayor's Executive Order No. 98, dated May 15, 1969, entitled "Regulations Regulating the Checkoff of Union Dues" and in accord with the Mayor's Executive Order No. 107, dated December 29, 1986, entitled "Regulations Governing Procedures for Orderly Payroll Checkoff of Union Dues" and any executive orders which amend or supersede said Executive Orders.

Section 3.

An employee may consent in writing to the authorization of the deduction of dues from the employee's wages and to the designation of the Union as the recipient thereof. Such consent, if given, shall be in a proper form, acceptable to the City, which bears the signature of the employee.

Section 4.

The parties agree to an agency shop to the extent permitted by applicable law, the provisions of such to be negotiated and contained in a supplemental agreement which will become part of this Agreement when and if agreed to.

ARTICLE III - HOURS AND OVERTIME

Section 1.

- a. All ordered and/or authorized overtime in excess of the hours required of an employee by reason of the employee's regular duty chart, whether of an emergency nature or of a non-emergency nature, shall be compensated for either by cash payment or compensatory time off, at the rate of time and one-half, at the sole option of the employee. Such cash payments or compensatory time off shall be computed on the basis of fifteen (15) minute segments.
- b. In order to preserve the intent and spirit of this section on overtime compensation, there shall be no rescheduling of days off and/or tours of duty except as provided below. This restriction shall apply both to the retrospective crediting of time off against hours already worked and to the anticipatory reassignment of personnel to different days off and/or tours of duty except as provided below. Notwithstanding anything to the contrary contained herein, the Department shall not have the right to reschedule employees' tours of duty, except that the Department shall have the right to reschedule employees' tours of duty on fifteen occasions (effective July 9, 2008, twenty occasions) without payment of pre-tour or post-tour overtime provided that the Department gives at least 24 hours notice to the employees whose tours are to be rescheduled. The Department may also reschedule employees' tours of duty, without payment of pre-tour or post-tour overtime, for New Year's Eve, St. Patrick's Day, Thanksgiving Day, Puerto Rican Day, West Indies Day and Christopher Street Liberation Day, provided that the Department gives notice before 12:00 a.m. of the day(s) in question. The three (3) hour rescheduling limitation for the above named dates is also eliminated.

10010

Section 2.

Notwithstanding anything to the contrary in this Agreement, employees assigned to the Detective Bureau and/or "Designated as Supervisor of Detective Squad" and/or "Designated on Special Assignment" shall receive overtime compensation in the following manner:

- (a) Effective January 1, 1986, all ordered and/or authorized overtime in excess of 40 hours in any week or in excess of the hours required of an employee by reason of the employee's regular duty chart if a week's measurement is not appropriate, whether of an emergency nature or of a non-emergency nature, shall be compensated for either by cash payment or compensatory time off, at the rate of time and one-half, at the sole option of the employee. Such cash payments or compensatory time off shall be computed on the basis of completed fifteen (15) minute segments.
- (b) In order to preserve the intent and spirit of this section on overtime compensation, there shall be no rescheduling of days off, except that for the purpose of night watch coverage an employee's swing period shall not be diminished by more than 8 hours. This restriction shall apply both to the retrospective crediting of time off against hours already worked and to the anticipatory reassignment of personnel to different days off. Prior to the completion of the steps in the grievance procedure under Article XX of this Agreement, the President of the S.B.A. may informally discuss a question in regard to the application of this Section 2(c) with the Police Commissioner and the Chairman of the Personnel Grievance Board in an effort to resolve the matter.
- (c) An employee who is specially assigned to duty involving travel outside New York City shall receive credit for eight (8) hours' work for each day of that assignment at the employee's straight time rate of pay. On days which are not the employee's regularly scheduled days, such credit shall be at the rate of time and one-half. When such employee performs duty in excess of 8 hours and such duty can be verified to the satisfaction of the employee's Commanding Officer, the Commanding Officer shall recommend to the Chief of Department that the employee be credited with appropriate overtime compensation.

Section 3.

Overtime shall be computed on a monthly basis and shall be paid no later than six (6) weeks after submission of the monthly report.

Section 4.

The parties shall meet in a labor-management committee to determine if the use of one of sergeants' regular days off to qualify at the range can be accomplished on non-compensable time under the Fair Labor Standards Act. In the event the parties cannot agree or find a way to accomplish the above, the parties agree that the use of a regular day off to qualify at the range shall be paid at the New York State minimum wage at straight time.

If the parties do agree that the range day can be done on non-compensable time, then the Union shall receive a credit of 0.05% to be applied to the salary schedule in a mutually agreeable manner.

ARTICLE IV - RECALL AFTER TOUR

Section 1.

Any employee who is recalled to duty after having completed the employee's regular tour of duty but four (4) hours or more before the commencement of the employee's next regular tour and who is released without having been assigned to duty prior to the commencement of said next regular tour shall receive a minimum of four hours' pay pursuant to the regular overtime provisions of this Agreement, that is, in cash or compensatory time off at the sole option of the employee at the rate of time and one-half (i.e., the equivalent of six hours compensation at the employee's straight time rate).

Section 2.

Any employee who is recalled to duty after having completed the employee's regular tour of duty but six (6) hours or more before the commencement of the employee's regular tour and who is assigned to duty and then released from duty prior to commencement of said next regular tour shall receive a minimum of six hours' pay pursuant to the regular overtime provisions of this Agreement, that is, in cash or compensatory time off, at the employee's sole option, at the rate of time and one-half (i.e., the equivalent of nine hours' compensation at the employee's straight time rate).

Section 3.

In the event the actual time spent on recall defined in Sections 1 and 2 of this Article extends beyond the minimum periods provided therein, the employee shall receive pay pursuant to the regular overtime provisions of this Agreement for the full period of time actually spent on such recall.

Section 4.

Notwithstanding anything to the contrary provided in Sections 1 through 3 of this Article, any employee who is recalled to duty after having completed the employee's regular tour of duty but before the commencement of the employee's next regular tour and who is assigned to duty or held without assignment for a period which extends into the commencement of that next regular tour shall receive pay pursuant to the regular overtime provisions of this Agreement only for the actual time so assigned or held.

Section 5.

- a. Notwithstanding anything to the contrary in Sections 1 through 4 of this Article, any employee who is recalled to duty after having completed the employee's regular tour of duty but less than four hours before the commencement of the employee's next regular tour and who is released without having been assigned to duty prior to the commencement of that next regular tour shall receive pay in cash or compensatory time off at the employee's sole option, at the rate of time and one-half, for the actual time between the beginning of such recall and the commencement of that next regular tour.
- b. Notwithstanding anything to the contrary in Sections 1 through 4 of this Article, any employee who is recalled to duty after having completed the employee's regular tour of duty but less than six hours before the commencement of the employee's next regular tour and

who is assigned to duty and then released from duty prior to the commencement of that next regular tour shall receive pay in cash or compensatory time off at the employee's sole option, at the rate of time and one-half, for the actual time between the beginning of such recall and the commencement of that next regular tour.

ARTICLE V - COMPUTATION OF BENEFITS

Since the basic forty-hour week has not been changed by this Agreement, any modifications of a standard chart and use of other tours shall not affect current standard practice for the computation of compensation for holidays, vacation days, personal leave days, annuity fund contributions and other relevant benefits, which shall remain on the basis of an eight-hour workday calculation.

- c. For the purposes of this Agreement the term “Reviewing Officer” shall mean the superior officer in charge of the next higher command or level above a Commanding Officer.

- d. For the purposes of this Agreement the term "Board" shall mean the Personnel Grievance Board to be composed of three (3) members, as follows: a Deputy Commissioner or other designee of the Police Commissioner, who shall be Chairman of the Board, the Chief of Department or the Chief of Department's designee, and the President of the Union or the President's designee.
- e. For the purposes of this Agreement the term, "grievant," shall mean an employee or group of employees asserting a grievance or the Union or both, as the context requires.

- d. Commanding Officers, Reviewing Officers and members of the Personnel Grievance Board shall consider objectively the merits of grievances with due consideration to the harmonious interrelationship that is sought to be achieved among all members of the force and for the good of the Police Department.
- e. Any employee may present the employee's own grievance through the first four steps of the grievance procedure either individually (with the aid of the employee's own counsel if the employee so chooses), or through the Union, provided, however, that the Union shall have the right to have a representative present at each step of the grievance procedure.

Section 4.

Under the grievance procedure herein a grievance must be initiated within 90 days following the date on which the grievance arose or the date on which the grievant should reasonably have learned of the grievance or the execution date of this Agreement, whichever date is the latest. Grievances shall be processed according to the following procedure:

STEP I.

A grievant shall present the grievance to the Commanding Officer either orally or in writing. The Commanding Officer shall carefully consider the matter, make a decision thereon and advise the grievant of the decision within five (5) days of the grievance's submission.

STEP II.

If the grievance is not satisfactorily adjusted at Step I, the grievant may seek the following review within ten days after receipt of the Step I decision. The grievant shall reduce the grievance to writing on Form P.D. 158-151 (in triplicate), setting forth a concise statement of the grievance and the results of the proceedings at Step I. The grievant shall forward two copies to the appropriate Reviewing Officer and retain one copy for personal use. The Reviewing Officer shall forward one copy to the Commanding Officer, requesting the Commanding Officer's comments. The Reviewing Officer shall carefully consider said grievance, make a determination, and notify the grievant and the Commanding Officer of the Reviewing Officer's decision within ten (10) days following receipt of the grievance.

STEP III.

If the grievance is still not satisfactorily adjusted, the grievant may, not later than ten days after notification of the Reviewing Officer's decision, seek further review as follows:

The grievant shall prepare a report on P.D. 158-151 (in quintuplicate) setting forth a concise statement of the grievance and the results of the proceedings at Steps I and II. The grievant shall forward four copies of the report through official channels to the Chairman, Personnel Grievance Board, retaining one copy for personal use. The Board shall carefully consider said grievance, make a determination and notify the grievant, the Commanding Officer and the Reviewing Officer, in writing, of its decision within seven days after the meeting at which the grievance is considered.

It is understood and agreed by and between the parties that there are certain grievable disputes which are of a Department level or of such scope as to make adjustments at Step I or Step II of the grievance procedure impracticable, and, therefore, such grievances may be instituted at Step III of the grievance procedure by filing the required written statement of the grievance directly with the Chairman of the Personnel Grievance Board; the Chairman or Chairman's designee shall convene a meeting of the Board within five (5) working days following receipt of the grievance, and the Board shall render its decision within five (5) working days following that meeting.

STEP IV.

Where the grievance is not satisfactorily adjusted at Step III, the grievant may refer the grievance, not later than thirty (30) calendar days after notification of the Board's decision, to the Police Commissioner for determination; and the Police Commissioner shall make a determination within ten (10) working days following receipt of the grievance. This determination shall be made after appropriate consultation with any or all parties to the grievance, including the Chairman of the Board and/or the Board members; and copies shall be sent to the grievant and the Union.

10010

Grievances which affect substantial numbers of employees may be compressed by elimination of the fourth Step of the grievance procedure.

Section 5.

At every step of these procedures, the grievant and the officer considering the grievance shall work for a satisfactory adjustment. At any step, the Commanding Officer, the Reviewing Officer, and the Board shall have the right to summon the grievant and any and all persons considered necessary to the equitable adjustment of the grievance. Proceedings shall be informal. The Chairman of the Personnel Grievance Board shall take such steps to implement the provisions concerning grievances as are necessary for the proper and effective operation of the procedures provided for herein. The Chairman shall resolve questions as to jurisdictional responsibility of Commanding Officers and Reviewing Officers and shall work out the operational details of the program. For these purposes, the Chairman shall issue orders and instructions through the Chief of Department not inconsistent with the provisions of this Article.

Section 6.

The grievance procedure established hereinbefore is designed to operate within the framework of, and is not intended to abolish or supersede, existing rules and procedures providing for additional methods of redress. These include, but are not limited to, the existing rights of a grievant to request an interview with the Police Commissioner.

Section 7.

Any or all of the foregoing grievance steps may be waived by the written consent of both parties.

Section 8.

Within twenty (20) days following receipt of the Police Commissioner's Step IV decision, the Union shall have the right to bring grievances unresolved at Step IV to impartial arbitration pursuant to the New York City Collective Bargaining Law and the Consolidated Rules of the New York City Office of Collective Bargaining. In addition, upon ten (10) days' written notice to the Union, the City shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined as a "grievance" herein. The City shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining, with a copy to the Union; and the matter shall proceed pursuant to the Consolidated Rules of the Office of Collective Bargaining.

A permanent rotating Panel of a minimum of five (5) Arbitrators shall be established, drawn from the official panel of the Office of Collective Bargaining, as agreed to by both parties. The members of the Panel shall be assigned on a rotating basis to arbitrate all grievances under this Section.

The assigned Arbitrator shall hold a hearing at a time and place convenient to the parties and a transcript shall be taken unless the taking of a transcript is waived by both parties. The arbitrator shall attempt to issue an award within ten (10) days after the completion of the hearing.

The City and the Union shall each pay 50% of the fees and expenses of the Arbitrator and of all other expenses incidental to such arbitration. The costs of one copy for each party and one copy for the Arbitrator of the transcripts shall be borne equally by the parties.

Section 9.

In case of grievances falling within Sections 1(a)(1), or 1(a)(2) of this Article, the arbitrator's decision, and order or award (if any), shall be limited to the application and interpretation of the collective bargaining Agreement, rule, regulation, procedure, order or job title specification involved, and the Arbitrator shall not add to, subtract from, or modify any such Agreement, rule, regulation, procedure, order or job title specification. An Arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accord with Article Seventy-Five of the Civil Practice Law and Rules, except that awards as to grievances concerning assignment of the grievant to duties substantially different from those stated in the grievant's job title specification or the use of an open-competitive rather than promotional examination, shall be final and binding and enforceable only to the extent permitted by law. An Arbitrator may provide for and direct such relief as the Arbitrator determines to be necessary and proper, subject to the limitation set forth above and any applicable limitations of law.

Section 10.

The time limits contained in this Article may be modified by mutual agreement. In the event that the Department fails to comply with the time limits prescribed herein, the grievance may be advanced to the next step.

Such trigger points may be increased by the City, but shall not be decreased during the term of the contract except on mutual consent.

Only marked RMP cars made up of two uniformed Police Officers actively assigned to regular precinct patrol for the particular precinct and tour shall be counted towards reaching the trigger point number. Once the trigger points are reached at the beginning of the tour, a supervisor may be assigned to solo supervisory patrol only if a Police Officer is actually assigned to perform and will perform solo patrol in an RMP car at the commencement of that tour in that precinct pursuant to Operations Order 85 as now in effect, except on the second platoon. A supervisor may be assigned to solo supervisory patrol during the second platoon once the trigger point for the particular precinct has been reached at the beginning of the tour, even if there are no Police Officers assigned to solo patrol. If, at any time during a tour, however, the number of two-man RMP cars on active street patrol falls below the trigger point for the particular precinct and tour except as a result of meals and other temporary situations, solo supervisory patrol shall be immediately suspended for the remainder of the tour and the patrol supervisor shall be provided an operator before resuming supervisory patrol. Except on the second platoon, solo supervisory patrol shall be suspended if all RMP cars assigned to solo patrol by Police Officers in that precinct pursuant to Operations Order 85 as now in effect have been taken out of service during that tour.

The provisions of this paragraph are subject to paragraph 7 below.

2. Equipment and Training.

The City shall supply and equip supervisors on solo patrol with operational portable radios, and shotguns, with adequate training in the use and care of that weapon. Adequate training shall be a condition precedent to assignment.

The training to be given to supervisors for solo supervisory patrol shall be the same as that received by Police Officers and shall include instructions that supervisors on solo supervisory patrol are to act prudently under all circumstances, are not expected to place themselves in peril or unnecessarily jeopardize their safety pending arrival of backup personnel and, if required by the circumstances on the scene at that time, shall await assistance without immediately taking action. Shotgun training will be given first to volunteers and then, only if staffing problems should develop, would other Sergeants be requested to go through this training. The Department will consult with the SBA on training procedures before their implementation. In addition, the Department will investigate and alleviate any problems of which they presently are or should become aware concerning defective radios or "dead" areas affecting supervisors on solo supervisory patrol.

3. Volunteers.

All solo supervisory patrols shall first be filled on a volunteer basis, and involuntary assignments shall be made only if no volunteers are available. Volunteers shall be limited to those Sergeants who are assigned to supervise precinct patrol on each tour in each particular precinct.

10010

4. Solo Response.

Solo patrol supervisors shall not be dispatched or respond as primary response units, and shall not be dispatched or respond as back-up units except in emergencies when no other back-up RMP is available. In emergencies when no other back-up RMP unit is available, other RMP units on low-priority jobs will be dispatched before a solo supervisor is dispatched and RMP units on meal or otherwise temporarily out of service shall be dispatched before a solo supervisor is dispatched if the RMP units can be called back into service expeditiously.

5. Familiarity With Precinct.

A supervisor not familiar with the precinct or area which he is assigned to patrol shall be provided with an operator. Familiarity with the assigned precinct or area shall require the Supervisor to have had a minimum of three (3) months served in the precinct and to have engaged in thirty (30) tours of supervisory patrol in the precinct in the twelve (12) month period preceding the assignment. Each "tour" to be counted for the purpose of familiarization with the precinct shall be at least four (4) hours in duration of supervisory patrol performed in an RPM car. The system for recording time on supervisory patrol tours will be developed by the Department in consultation with the SBA.

6. Multi-Precinct Supervisory Patrol.

A supervisor assigned to patrol more than one precinct shall be provided with an operator.

7. Unusual Conditions.

In the event of an unusual condition occurring, the Commanding Officer shall have authority to assign a Police Officer as operator of a supervisor's vehicle on a given tour. If such condition continues for more than one week, a report with recommendations shall be forwarded to the Chief of Patrol.

When solo RMP for Police Officers is suspended due to an unusual condition, the Commanding Officer shall automatically suspend solo supervisory patrol. In addition, Commanding Officers are reminded that the conditions affecting solo supervisory patrol are such that they have the authority to declare an unusual condition for the suspension of solo supervisory patrol without having to suspend solo patrol for Police Officers.

8. Joint Committee.

The parties shall establish a joint Labor-Management Committee on Safety, consisting of equal representatives of the City and of the SBA, to consider and recommend changes in the program of solo supervisory patrol, including trigger point numbers. That Committee shall meet at the request of the City or the SBA, but not more frequently than every six months, except on mutual consent.

The Department will provide to the SBA all relevant reports and statistics compiled in the Department on the subject of solo RMP, as they become available, with the sole exception of high-level confidential analyses used for planning purposes.

9. Benefit Protection.

Supervisors shall not be in any way penalized, deemed to have assumed the risk or denied retirement or other benefits by virtue of their having volunteered for or been assigned to solo supervisory patrol.

ARTICLE XXVIII - NO WAIVER

Except as otherwise provided in this Agreement, the failure to enforce any provision of this Agreement shall not be deemed a waiver thereof. This Agreement is not intended and shall not be construed as a waiver of any right or benefit to which employees are entitled by law.

ARTICLE XXIX - SAVINGS CLAUSE

If any provision of the Agreement is found to be invalid, such invalidity shall not impair the validity and enforceability of the remaining provisions of this Agreement.

ARTICLE XXX - FINANCIAL EMERGENCY ACT

The provisions of this Agreement are subject to applicable provisions of law including the New York State Financial Emergency Act for the City of New York, as amended.

ARTICLE XXXI - TERM

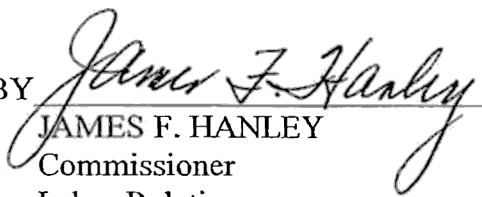

The term of this Agreement shall commence on June 1, 2005 and shall expire at midnight on August 29, 2011.

10010

IN WITNESS WHEREOF, the parties have executed this Agreement on
the day and year first above written.

Dear Sergeant Mullins:

This is to reflect that the Impasse Panel's Report and Recommendations in OCB case #I-198-89 increased the number of appearances required by certain Sergeants as follows:

Each employee promoted to Sergeant on or after July 1, 1990 shall be required to work three (3) additional tours per year beyond the number required for a similarly situated incumbent Sergeant. Effective July 1, 1995, as a result of the 1992-95 collective bargaining agreement, each employee promoted to Sergeant on or after July 1, 1990, after serving five (5) years in the rank of Sergeant, shall work the same number of tours per year as a similarly situated incumbent Sergeant who was promoted prior to July 1, 1990.

This is to confirm our mutual understanding and agreement that the Sergeants Benevolent Association (SBA) has accepted and agreed to be bound by the terms of the December 1, 2000 to May 31, 2003 SBA Agreement. Dear Sergeant Mullins:

The City and the Sergeants Benevolent Association ("SBA") acknowledge that an Administrative Law Judge of the New York State Public Employment Relations Board in Case No. DR-119 (dated May 3, 2007) held that the subject of duty charts, as outlined in 1(d) of Chapter 143 of the Unconsolidated Laws, is a prohibited subject of bargaining. The City and PBA are appealing that determination and other unions have been granted permission by PERB to file amicus briefs.

The parties agree to continue in status quo pending a final and binding decision on that issue by PERB or a court of competent jurisdiction, and all appeals thereto, on the legal challenges to that decision. In the event the determination in DR-119 that duty charts are a prohibited subject of bargaining is affirmed, the parties will jointly support legislation to ameliorate the effect of the decision.

RE: SBA Agreement covering the period from 2005 through 2011

Dear Mr. Mullins:

This is to confirm our mutual understanding and agreement regarding the above Agreement.

- Effective the first day of the month following ratification of this Agreement a pilot program concerning Patrol Guide Procedures 205-01 and 205-45 will be established.

This pilot program will be implemented subject to the following terms:

- a. The pilot program will provide that eligible employees, who request sick leave for an injury or illness, shall no longer be subject to home visitation and confinement, outside the hours of the employee's regularly scheduled tour of duty, except where the convalescence for the injury or illness requires home confinement in the opinion of the Department's Medical Division, after consultation with the employee's personal physician.
- b. The following employees are not eligible to participate in the program:
 - 1) Any Employee who is designated as "chronic sick",
 - 2) Any Employee who is on modified assignment,
 - 3) Any Employee who is on dismissal probation,
 - 4) Any Employee who is on suspension.
- c. The initial phase of the pilot program will run for a period of 15 months. Provided however, that in the event the initial phase of the pilot program is

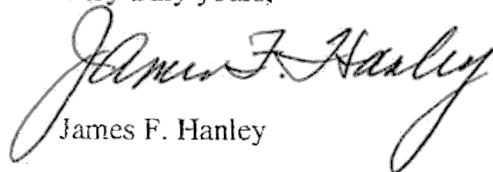

Edward D. Mullins
March 30, 2009
Page 2

deemed to be successful, whereby the annualized average sick leave usage for the entire SBA bargaining unit in the 15 month period is less than the designated absence rate plus 10%, the pilot program will automatically be extended until the end of this contract term. If the second phase of the pilot program is successful, whereby the annualized average sick leave usage for the entire SBA bargaining unit in the second phase of the pilot program is less than the designated absence rate, plus 10% the parties will meet to discuss implementing the pilot program on a permanent basis.

- d. 1) For purposes of this agreement the "designated absence rate" is the average lost days, including both line of duty and non-line of duty sick leave, per member of service in the SBA bargaining unit for March 1, 2008 through February 28, 2009, which equals 8.85 days per year.
- 2) The Department, on the first day of each month, will review Sergeant availability for the preceding 365 days. In the event that Sergeant average sick leave for the entire SBA bargaining unit exceeds the designated absence rate for the preceding 365 day period by more than 10%, the previous Patrol Guide home visitation and confinement policies will be placed into effect the following day. Such procedures will remain in effect for the remainder of the month. Provided however, the Police Commissioner in his own discretion may permit the new procedures to remain in effect.
- 3) The following month another review of sick leave usage for the preceding 365 days will occur. When a monthly review results in a return to a level at or below the "designated absence rate" plus 10% the Department will resume the new visitation and confinement procedures the following day (the second day of the month).

If the above accords with your understanding, please execute the signature line below.

Very truly yours,

James F. Hanley

Effective May 1, 2015, the parties agree that such employees as described in the Resolution above and are entitled to payment and who are members of the Union shall now be entitled to voluntarily choose the option of a one-time lump sum payment as their terminal leave benefit in lieu of their current terminal leave benefit prior to retirement. Section 10. Exchange of Work Days (Mutuals)

Effective the date of ratification of this Agreement, the Department shall implement a Pilot Program for twelve (12) months that will permit sergeants of the same assigned command performing similar duties to exchange tours voluntarily when there is no interference with police service and provided that the program does not generate any FLSA overtime. This Pilot Program is subject to the following provisions:

1. Sergeants are not permitted to perform two consecutive tours.(e.g. perform duty on a third platoon followed by a first platoon).
2. The exchanged tours may be on the same calendar day or on different calendar days (including RDOs).

3. The mutual must be completed within one FLSA cycle. (Tours cannot be exchanged from different FLSA cycles).
4. The mutual tour itself cannot generate overtime. A sergeant may receive pre-tour or post-tour overtime, but not overtime for performing the mutual tour (including a mutual tour on a RDO).
5. Both sergeants must be qualified to perform the necessary duty.
6. All mutual requests must be submitted at least five (5) days in advance and approved by the Commanding Officer. Requests for a mutual will not be unreasonably denied.
7. Once a mutual has been approved by the Commanding Officer, both sergeants are scheduled to work the mutual tour.

9. There is no Administrative Sick on a mutual tour. (Sergeant must report Regular Sick).
10. Detective Rescheduling Rules are triggered by an absence on a mutual tour and permits the Department to reschedule any sergeant without 24 hour notice or the payment of contractual overtime to cover the mutual tour on any sergeant's scheduled work day.

Section 11. Annual Leave Donation Program

- A. The City of New York and the Sergeants Benevolent Association, in order to assist uniformed members of the service in the rank of sergeant who have exhausted all available leave and need to take a prolonged absence from duty due to the medical emergency of an immediate family member, have agreed to implement a Pilot Program entitled "Annual Leave Donation Program," which shall expire on August 29, 2018. Sergeants who anticipate using a significant amount of leave to resolve issues caused by a major illness or medical condition of an immediate family member, may apply. The Pilot Program will be sponsored by the Department.
- B. All sergeants are eligible to participate as donors or recipients. Donations of accrued annual leave must be made in full day increments and will be debited from the donor's annual leave balance after review of the form and credited to the annual leave bank as full days. Only accrued annual vacation leave may be donated. Lost time, chart days, terminal leave, or any time which is not vacation is not eligible for this program. All donations of accrued annual leave are voluntary. Donations cannot be directed to a particular sergeant. Donations will be included in a pool of annual leave to be

dispersed by a joint Labor/Management panel. Donations into the “Annual Leave Donation Program” are not permitted in the calendar year of a sergeant’s separation from the Department, and any such donations shall be retroactively withdrawn and returned to the individual.

- C. A sergeant must have donated at least one vacation day to the pool to be eligible for a disbursement during the life of the Pilot Program. A sergeant may donate a maximum of five vacation days per calendar year. A sergeant may receive a maximum disbursement equal to one year’s vacation time that would be accrued by the sergeant in the same year. In cases of extreme hardship, the Labor/Management Panel may waive the required donation to the “Annual Leave Donation Program” prior to a disbursement, as well as, the maximum disbursement and donation limits.
- D. All decisions concerning the implementation of the “Annual Leave Donation Program” and the eligibility of the donor/donee will be mutually agreed upon by the Labor/Management panel. All decisions must comply with IRS Revenue Ruling 90-29. The decisions of the Labor/Management panel are final and not subject to review, appeal or any grievance procedures. The Labor/Management panel shall consist of four members, two members each from the SBA and the Department. A majority vote is necessary to receive a disbursement from the program.
- E. This “Annual Leave Donation Program” shall only be implemented in accordance with IRS Revenue Ruling 90-29 and as required by law.

Section 12. Coordination of Shifts with Spouses and/or Registered Domestic Partners

In an effort to assist sergeants who are experiencing child care/family issues and have a member of the department who is either their spouse or a registered domestic partner, the Department shall upon ratification of this Agreement implement a Pilot Program for twelve (12) months that will permit sergeants to request a change of tour within their assigned command or request transfer to a command with an opening on their desired tour. Sergeants requesting said accommodations must submit a UF 49 to their commanding officer detailing the reasons for the accommodation for a tour change within their command or submit a UF 57 to their commanding officer for submission to the Personnel Bureau detailing the reasons for the accommodation. The sergeant’s request will not be unreasonably denied.

Section 13. Fair Labor Standards Act Issues

Whereby, the parties intend to prevent potential future claims under the federal Fair Labor Standards Act ("FLSA"), the parties hereby agree as follows:

I. Right to Schedule Chart Time

(a) The NYPD shall have the right to schedule employee chart time in order to prevent sergeants from exceeding the FLSA overtime threshold in a 28-day cycle. This provision does not waive any rights the NYPD has to schedule chart time in the absence of an agreement.

(b) The Union agrees to withdraw, with prejudice, the following cases and/or actions: Chart Time Improper Practice Petition (BCB-4086-14).

II. Staggered Tours

(a) The NYPD shall have the right to stagger the scheduled starting and finishing times of sergeants in order to prevent sergeants from performing off-the-clock work before the scheduled beginning of their tour. This provision does not waive any rights the NYPD has to alter starting and finishing times in the absence of an agreement.

(b) Sergeants are not permitted to perform any work before their scheduled starting time or after their scheduled finishing time without the prior approval of a superior officer.

III. Off-Duty Work

(a) Sergeants assigned to Detective Track Commands, as defined in Administrative Guide Procedure 320-35 and Operations Order No. 19 of 2011, shall receive a stipend of \$705 per year as compensation for up to one and one-half (1.5) hours of work each week performed off-duty via phone, e-mail, text, or in any other manner. The election of compensatory time is not available for off-duty work.

(b) No sergeant assigned to Detective Track Commands shall spend more than one and one-half (1.5) hours per week on off-duty work without the prior approval of a superior officer. In the event this limit is exceeded under circumstances that made it impossible to obtain prior approval (e.g., as a result of an emergency), the sergeant must so notify a superior officer within 24 hours thereafter.

(c) No sergeant assigned to any non-Detective Track Command shall spend any time on off-duty work without the prior approval of a superior officer. If a sergeant assigned to a non-Detective Track Command is contacted off-duty by a superior officer such approval is presumed.

(d) Time spent receiving notifications will not qualify as off-duty work under this section.

IV. Definition of a Superior Officer

For purposes of these paragraphs, a “superior officer” shall mean a person superior to that sergeant in that sergeant’s chain of command.

V. Resolution of Disputes

(a) All claims arising from the application of the matters described in paragraphs II(b) and III, above, alleging violations of the federal Fair Labor Standards Act involving claims of off-duty work or pre or post-shift work, and all other claims involving the interpretation or application of these paragraphs, shall be subject to the Agreement's grievance and arbitration procedure as the final, binding, sole and exclusive remedy for such violations, and employees covered by this Agreement shall not file suit or seek relief in any other forum. The parties will take all steps necessary to ensure that claims within the scope of this paragraph are resolved pursuant to and in accordance with the grievance and arbitration provision of the collective bargaining agreement.

(b) Arbitrators shall apply applicable law as it would be applied, and shall have such powers as would be exercised, by the appropriate court in rendering decisions on the claims covered by paragraph V(a), above.

(c) The claims subject to resolution in accordance with paragraph V(a), above, shall not be arbitrated by way of a group grievance. All claims between a member and the Department must be decided individually.

(d) The arbitrator shall have no authority or jurisdiction to process, conduct, or rule upon any group grievances, or to consolidate any individual claims in one proceeding absent mutual consent of the parties hereto.

V. Prohibition on Use in Any Proceeding

Other than the up to 1.5 hours per week of off-duty work described in paragraph III(a), nothing contained in paragraph III shall be used in any proceeding to establish the compensability of time worked.

Section 14. Conditions of Payment.

The general wage increases provided for in Section 4 of the *SBA MOA* shall be payable as soon as practicable upon execution of the *SBA MOA* and after the effective date of such increases.

Section 15. Approval of Agreements.

This *SBA MOA* and the successor unit agreement are subject to approval in accordance with applicable law.

Section 16. Incorporation of Certain Provisions into Other Agreements.

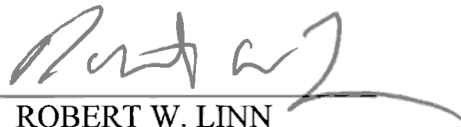

All applicable provisions of this *SBA MOA* shall be incorporated into the *Successor Unit Agreement*.

Section 17. Savings Clause.

In the event that any provision of this *SBA MOA* is found to be invalid, such invalidity shall not impair the validity and enforceability of the remaining provisions of this *SBA MOA*.

WHEREFORE, we have hereunto set our hands and seals this ___ day of February 2015.

RE: SBA MOA for the period August 30, 2011 to August 29, 2018

Dear Mr. Mullins:

This letter confirms the parties' mutual understanding that the Sergeants Benevolent Association ("SBA"), in adopting the May 5, 2014 Letter Agreement regarding health savings and welfare fund contributions between the City of New York and the Municipal Labor Committee ("MLC"), does not waive any rights the SBA has regarding future MLC Agreements, or any rights the SBA has to negotiate any healthcare or welfare fund matters in future bargaining with the City of New York.

If the above accords with your understanding, kindly execute the signature line provided below.

Sincerely,

ROBERT W. LINN

Harry Nespoli
Chair, Municipal Labor Committee
125 Barclay Street
New York, NY 10007

Dear Mr. Nespoli:

This is to confirm the parties' mutual understanding concerning the following issues:

1. Unless otherwise agreed to by the parties, the Welfare Fund contribution will remain constant for the length of the successor unit agreements, including the \$65 funded from the Stabilization Fund pursuant to the 2005 Health Benefits Agreement between the City of New York and the Municipal Labor Committee.
2. Effective July 1, 2014, the Stabilization Fund shall convey \$1 Billion to the City of New York to be used to support wage increases and other economic items for the current round of collective bargaining (for the period up to and including fiscal year 2018). Up to an additional total amount of \$150 million will be available over the four year period from the Stabilization Fund for the welfare funds, the allocation of which shall be determined by the parties. Thereafter, \$ 60 million per year will be available from the Stabilization Fund for the welfare funds, the allocation of which shall be determined by the parties.
3. If the parties decide to engage in a centralized purchase of Prescription Drugs, and savings and efficiencies are identified therefrom, there shall not be any reduction in welfare fund contributions.
4. There shall be a joint committee formed that will engage in a process to select an independent healthcare actuary, and any other mutually agreed upon additional outside expertise, to develop an accounting system to measure and calculate savings.

5. The MLC agrees to generate cumulative healthcare savings of \$3.4 billion over the course of Fiscal Years 2015 through 2018, said savings to be exclusive of the monies referenced in Paragraph 2 above and generated in the individual fiscal years as follows: (i) \$400 million in Fiscal Year 2015; (ii) \$700 million in Fiscal Year 2016; (iii) \$1 billion in Fiscal Year 2017; (iv) \$1.3 billion in Fiscal Year 2018; and (v) for every fiscal year thereafter, the savings on a citywide basis in health care costs shall continue on a recurring basis. At the conclusion of Fiscal Year 2018, the parties shall calculate the savings realized during the prior four-year period. In the event that the MLC has generated more than \$3.4 billion in cumulative healthcare savings during the four-year period, as determined by the jointly selected healthcare actuary, up to the first \$365 million of such additional savings shall be credited proportionately to each union as a one-time lump sum pensionable bonus payment for its members. Should the union desire to use these funds for other purposes, the parties shall negotiate in good faith to attempt to agree on an appropriate alternative use. Any additional savings generated for the four-year period beyond the first \$365 million will be shared equally with the City and the MLC for the same purposes and subject to the same procedure as the first \$365 million. Additional savings beyond \$1.3 billion in FY 2018 that carry over into FY 2019 shall be subject to negotiations between the parties.

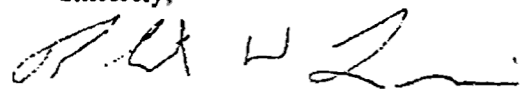

6. The following initiatives are among those that the MLC and the City could consider in their joint efforts to meet the aforementioned annual and four-year cumulative savings figures: minimum premium, self-insurance, dependent eligibility verification audits, the capping of the HIP HMO rate, the capping of the Senior Care rate, the equalization formula, marketing plans, Medicare Advantage, and the more effective delivery of health care.

7. Dispute Resolution

- a. In the event of any dispute under this agreement, the parties shall meet and confer in an attempt to resolve the dispute. If the parties cannot resolve the dispute, such dispute shall be referred to Arbitrator Martin F. Scheinman for resolution.
- b. Such dispute shall be resolved within 90 days.
- c. The arbitrator shall have the authority to impose interim relief that is consistent with the parties' intent.
- d. The arbitrator shall have the authority to meet with the parties at such times as the arbitrator determines is appropriate to enforce the terms of this agreement.
- e. If the parties are unable to agree on the independent health care actuary described above, the arbitrator shall select the impartial health care actuary to be retained by the parties.
- f. The parties shall share the costs for the arbitrator and the actuary the arbitrator selects.

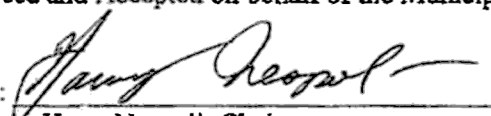

If the above accords with your understanding and agreement, kindly execute the signature line provided.

Sincerely,

Robert W. Linn
Commissioner

MEMORANDUM OF AGREEMENT

WHEREAS, the City of New York ("City") and the Sergeants Benevolent Association of the City of New York, Inc. ("SBA") have negotiated a Collective Bargaining Agreement for the term August 30, 2011 through August 29, 2018 ("2011-2018 Agreement") as described in a Memorandum of Agreement dated February 24, 2015; and

WHEREAS, the 2011-2018 Agreement provides for an annual lump sum stipend in the amount of \$705 per year to be paid to Sergeants assigned to Detective Track Commands for up to one and one half hours of work each week performed off duty; and

WHEREAS, an issue has arisen as to the efficacy of making the payment in a lump sum as opposed to on a bi-weekly basis;

IT IS HEREBY AGREED as follows:

1. Effective as soon as practicable, the \$705 stipend payable to Sergeants assigned to Detective Track Commands, as defined in Administrative Guide Procedures, will be paid on a bi-weekly basis calculated by dividing the annual stipend by the number of bi-weekly pay periods in the calendar year.

2. As soon as practicable, the City will pay, in a lump sum payment, the pro-rated \$705 stipend to Sergeants assigned to Detective Track Commands for the period from May 1, 2015 to the date of implementation of the bi-weekly stipend payment described in paragraph 1 above.

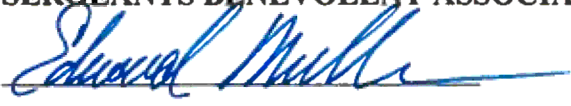

3. The \$705 stipend for Sergeants assigned to Detective Track Commands described in this agreement will be counted in the Sergeants' regular salary for the purpose of the calculation of the FLSA overtime rate.

4. The City will recalculate and pay Sergeants assigned to Detective Track Commands for any and all FLSA overtime worked from May 1, 2015 to the implementation date of the bi-weekly stipend payment described in paragraph 1 above, applying the stipend as part of the regular salary for the purpose of calculating the FLSA overtime rate.

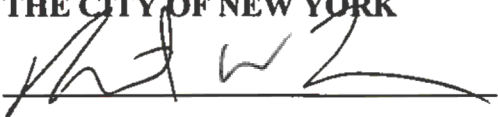

5. The parties agree that these payments are included in a member's annual compensation for pension calculation purposes, consistent with applicable law.

6. The SBA agrees that this resolves all issues concerning the exclusion of the \$705 stipend from the overtime calculation for Sergeants assigned to the Detective Track Commands as defined in the Administrative Guide Procedures.
